An expensive digital camera has been stolen from the school's media center and somebody on campus is to blame, but who? Your students become detectives as they analyze evidence and participate in real-life forensic labs as part of the mock crime scene investigation in *Crime Scene Detective: Theft*. Students will interview suspects, follow the clues, and analyze lab reports.

Like the best-selling *Crime Scene Detective* and *Crime Scene Detective: Arson*, this book includes everything teachers need to set up a crime scene in their school, including six new suspect and witness storylines, guides to displaying evidence and setting up forensic labs, and lessons for teachers that explain the basics behind forensic science.
