Evangelical Feminism: A History

Pamela D.H. Cochran

Evangelical Feminism: A History Pamela D.H. Cochran

For most people, the terms 'evangelical' and 'feminism' are contradictory. 'Evangelical' invokes images of conservative Christians known for their strict interpretation of the Bible, as well as their support of social conservatism and traditional gender roles. So how could an evangelical support feminism, a movement that seeks, at its most basic level, to redress the inequalities, injustice, and discrimination that women face because of their sex? Evangelical Feminism offers the first history of the evangelical feminist movement. It traces the emergence and theological development of biblical feminism within evangelical Christianity in the 1970s, how an internal split among members of the movement came about over the question of lesbianism, and what these developments reveal about conservative Protestantism and religion generally in contemporary America. Cochran shows that biblical feminists have been at the center of changes both within evangelicalism and in American culture more broadly by renegotiating the religious symbols which shape its deepest values.

Ralph Ainsworth:

Are you kind of stressful person, only have 10 or maybe 15 minute in your moment to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short period of time to read it because pretty much everything time you only find book that need more time to be learn. Evangelical Feminism: A History can be your answer given it can be read by an individual who have those short time problems.

Christine Smith:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Evangelical Feminism: A History can make you feel more interested to read.
