Knitting Projects: How to Knit Successful Knitting Projects from Beginning to End

Knitting is the creation of a fabric made of interlocking circles of yarn by use of needles. Nobody knows how old knitting truly is, however it is for the most part thought to be more established than handcrafts (carpet snaring) yet not as old as weaving.

It is considered to have started in the Arab world, and from that point, spread with the Crusades into Spain. The expression "to knit" wasn't added to English until the 1400s.
