**Meteorology, Grades 6 - 12: Atmosphere and Weather (Expanding Science Skills Series)** La Verne Logan, Don Powers Ph.D.

Connect students in grades 5 and up with science using Meteorology: Atmosphere and Weather. This 80-page book reinforces scientific techniques. It includes teacher pages that provide quick overviews of the lessons and student pages with Knowledge Builders and Inquiry Investigations that can be completed individually or in groups. The book also includes tips for lesson preparation (materials lists, strategies, and alternative methods of instruction), a glossary, an inquiry investigation rubric, and a bibliography. It allows for differentiated instruction and supports National Science Education Standards and NCTM standards.
