Clara was the daughter of a clan chief, her path in life was decided for her before she was even born. She would often dream of a man that would come and take her away, but knew that she would be married away to another clan chief to bond together clans or keep the peace.

However, after a stroll through the nearby forest she met the man that she would marry. Kieren swept her off her feet as soon as he met her and she wanted nothing more than to find a way to keep him in her life. There was only one issue though: Kieren had been bound to the forest and could not leave.

Will Clara find a way to shorten his sentence and have him return back to her clan to marry Kieren, or will she be too late and have already been married away?
