## **Unexpected Gaines (Scott Wolfe Series Book 2) S.L. Shelton**

This is the second volume in S.L. Shelton's unfolding story of corporate corruption in the world's governments and the adventures of a young Scott Wolfe, who is unknowingly swept into a secret war of massive proportions.

Scott Wolfe has been struggling to recover from the injuries he sustained in Europe only two months earlier—physical and emotional injuries that threaten his relationships, his peace and his sanity.

Back home and trying to ease into a routine again, his old life seems too small to contain him any longer. So when CIA Agent John Temple, asks for Scott's help hunting down a missing and possibly rogue ex-Agent, Scott jumps at the chance, despite Barb's misgivings.

Veiled in the background, sinister forces conspire to not only find the missing ex-Agent first, but to viciously block access to him and the information he is carrying, before their powerful organization is revealed.

Hamstrung by Agency policy and Scott's physical limitations, he and John have to find, contain and possibly kill ex CIA Agent, Mark Gaines.

This book was originally published under the title "2nd Amendment Remedies". Title and content have been revised and re-released as a second edition with the title "Unexpected Gaines."
