World Religions, with CD: A Guide to the Essentials

A masterful survey for college and university courses, this wide-ranging introduction presents a clear and condensed portrait of the history, beliefs, and practices of specific eastern and western religions. Rich with definitions, it includes a helpful CD with a wealth of images and study aids including a full glossary of terms, Internet links to scholarly sites, more than 500 color images, self-test quizzes, and other helps.

- Provides a straightforward presentation of the history, beliefs, and practices of the major religious traditions
- Conveys the scope and importance of religion in the human experience
- Sidebars offer short, fast-grasp summaries of the major aspects of each religion
- Explains a vast number of terms throughout the text
- CD-ROM includes a full complement of supporting study aids including links, images, quizzes, and more

In addition to the CD, the authors have established a separate website to complement this textbook (<http://people.uleth.ca/~robinson/Religion/General/WRIntro.html>).
