As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this
