The Art of the Playwright

William Packard

The Art of the Playwright William Packard

In The Art of the Playwright, William Packard examines the craft in a way that will illuminate theatre for both aspiring playwrights and theatre-goers. He describes the practical art of how plays are made, how to use actions and on-stage visuals, and how to approach the appropriate development of character, dialogue, motifs, plots, and conflicts. He unites theory and practice, giving fresh expression and real relevance to the most important principles of dramatic action.
