Having taught American history a number of times, each time writing (and re-writing) her own materials, Celeste has shared her love of history with many students in her homeschool classes. Designed to be engaging and written in a comfortable style, All American History reads like a good book -- bringing America's story to life piece by piece.

Containing hundreds of images and dozens of maps, All-American History Volume I is a complete year's curriculum for students in grades 5 - 8 when combined with the Student Activity Book and Teacher's Guide. Each week includes a chapter from the Reader, maps, forms, and review questions in the Activity Book, and plenty of hands-on and further research ideas in the Teacher Guide. (As well as great teaching tips, ANSWERS to everything, and a great book list!) The teacher book also provides additional hands-on and further research ideas for the younger students you may use this with.
