## **Alternate Edition for Economics** Campbell McConnell, Stanley Brue, Sean Flynn

McConnell, Brue, and Flynn's *Economics: Principles, Problems, and Policies* is the #1 Principles of Economics textbook in the world. It continues to be innovative while teaching students in a clear, unbiased way. The 19th Edition builds upon the tradition of leadership by sticking to 3 main goals: Help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy.

This is the macro-first alternate edition for use with macroeconomics-first sequences.
