**So many rugged warriors wanted to claim her.**

In the post-apocalyptic town of Temple, a war brews between two armies of savage hunks over the rare, fertile lands that Temple boasts. But the lands aren't all that's fertile in Temple...

The mountainous, rugged Brall and his wasteland biker gang, the Cauldron, have a special way of indoctrinating girls into their service. One lucky, willing beauty is surrounded by the hulking, virile warriors of the Cauldron and used in every entrance. Their latest volunteer is a sumptuous babe named Abigail—who already belongs to the Cauldron's biggest rival. Indoctrinating her would spark a gang war, but she's so gorgeous, they just can't turn her away.

But Abigail has her own plans. She's in love with Brall's rival, Case, the young stud gang leader she's known her whole life. Abigail will do anything to make Case jealous. Their love is so taboo, she has no choice but to give her body up to the mammoth Brall and his overwhelming indoctrination to spur Case to act on his possessive, forbidden lust. Meanwhile, Abigail's insatiable need for Case's attention drives a wedge between herself and her beautiful best friend, Robin—who's in the midst of an uncontrollable love affair with Brall!
