For more than a decade, Jackson Pollock and Lee Krasner devoted their lives to each other, serving in turn as muse, critic, companion, lover, friend and alter ego. Their romance was stormy - their raucous arguments are the stuff of legend - but their talents were prodigious. This book is packed with examples of the contributions both artists made to the world of modern art. Readers will learn how Pollock and Krasner's artistry evolved and how they influenced each other's success. Recent developments, such as a revealing biopic and the art world's elevation of Pollock to the status of being the most expensive artist in the world, bring their portrait fully up-to-date. While the author acknowledges history's sensationalisation of their lives, it is the paintings themselves - revolutionary, innovative and daring - that tell the most compelling story.
