**The Military Strategy of the Soviet Union: A History (Soviet (Russian) Military Theory and Practice)**

David M. Glantz

This study of Soviet military strategy is based upon the relationship between the army and politicians as well as Soviet writings on the subject of military strategy. Thanks to the policy of glasnost, it incorporates Soviet materials hitherto unavailable in the West. It should not be considered simply as a retrospective account of what was; it forms at least part of the context for what will be in the future.
