The White Lioness Henning Mankell

Third in the Kurt Wallander series.

The execution-style murder of a Swedish housewife looks like a simple case even though there is no obvious suspect. But then Wallander learns of a determined stalker, and soon enough, the cops catch up with him. But when his alibi turns out to be airtight, they realize that what seemed a simple crime of passion is actually far more complex—and dangerous. The search for the truth behind the killing eventually uncovers an assassination plot, and Wallander soon finds himself in a tangle with both the secret police and a ruthless foreign agent. Combining compelling insights into the sinister side of modern life with a riveting tale of international intrigue, **The White Lioness** keeps you on the knife-edge of suspense.
