How the Dead Dream

Lydia Millet

How the Dead Dream Lydia Millet

As a wealthy, young real-estate developer in Los Angeles, T. lives an isolated life. He has always kept his distance from people — from his doting mother to his crass fraternity brothers — but remains unaware of his loneliness until one night, while driving to Las Vegas, he hits a coyote on the highway.

The experience unnerves him and inspires a transformation that leads T. to question his business pursuits for the first time in his life, to take a chance at falling in love, and finally to begin breaking into zoos across the country, where he finds solace in the presence of animals on the brink of extinction.

A beautiful, heart-wrenching tale, *How the Dead Dream* is also a riveting commentary on individualism and community in the modern social landscape and how the lives of people and animals are deeply entwined. Judged by many — including the *Los Angeles Times* and *The Washington Post Book World* — to be Millet's best work to date, it is, as *Time Out New York* perfectly states: "This beautiful writer's most ambitious novel yet, a captivating balancing act between full-bodied satire and bighearted insight."
