*In their new Keeper roles, these extraordinary women must balance the fate of the world with their desires....*

Alessande Salisbrooke has been warned about the legend of the old Hildegard Tomb—how human sacrifices are being carried out by the followers of a shape-shifting magician. As a Keeper, Alessande understands the risks of investigating, but she can't shake the nagging feeling that the killings are tied to a friend's recent murder, and she can't turn her back.

With the help of Mark Valiente, a dangerously sexy vampire cop, Alessande narrowly escapes becoming a sacrifice herself. But as the bodies continue piling up, completely drained of blood, one truth becomes all too clear: life is an illusion, and no one—not even those you care about the most—is who they seem.
