Serious Science with an Approach Built for Today's Students

Smith's *Organic Chemistry* continues to breathe new life into the organic chemistry world. This new fourth edition retains its popular delivery of organic chemistry content in a student-friendly format. Janice Smith draws on her extensive teaching background to deliver organic chemistry in a way in which students learn: with limited use of text paragraphs, and through concisely written bulleted lists and highly detailed, well-labeled “teaching” illustrations. Don’t make your text decision without seeing *Organic Chemistry*, 4th edition by Janice Gorzynski Smith!
