SNAPPY SAYINGS: wit & wisdom from the world's greatest minds" strives to examine a vast variety of topics through its quotes, and does so in a way that few books of its kind have ever achieved. Chapter topics in the book range from Money, Work, Education and The Professions to Sports, The Arts, Politicians and Democracy. Human beings are examined in keen detail with chapters covering Sex, Love, Marriage, Women, Man, Religion and Human Nature, to name a few. Each chapter seamlessly dives into numerous sub-topics, covering such a wide variety of content as acting, entrepreneurship, medicine, alimony, golf and boxing. Additionally, the book contains an extensive section of biographies with brief, but highly informative, background information on some of the great minds behind this fantastic collection of insightful quotes.

Notable thought-provoking and potentially controversial quotes from the book include the following:

You can't say civilization don't advance...in every war they kill you in a new way. -Will Rogers

The first clergyman was the first rascal who met the first fool. -Voltaire

Politicians are interested in people. Not that this is always a virtue. Fleas are interested in dog. -P.J. O'Rourke

Nearly all men can stand adversity, but if you want to test a man's character give him power. -Abraham Lincoln

SNAPPY SAYINGS Quotations from the funniest, brightest, most insightful minds of all time. 22 chapters of human nature at it's funniest. Spend 10 minutes or 2 hours and you will be enlightened and delighted. The more times change the more mans nature remains the same.
