**I didn't want anything to spoil our time together. Certainly not a condom.**

Tyler's a big farmer, independent and hard-working. He'd always done things alone, until Rosa waltzed into his life.

She's gorgeous, with big thighs, a firm rear, and with a beautiful hourglass figure. There's only so long before emotions and lust sweep them both up right outside, in front of the farmhouse. He takes her sexy, fertile body, **hard and unprotected**, making her scream his name.

But neither of them regret it, not for a moment. Not even after she gets **pregnant**.
