In recent years, the world has offered its own versions of the truth behind Christianity: the Da Vinci Code, the secret gospels and secret societies within the Church. But here is a book with a difference that offers its readers the real mystery of the Christian faith. The Bible actually records God's own version of "the Great Mystery" of Christianity. The apostles and prophets in the first century church were guardians of a secret knowledge which they taught to the faithful followers of Jesus Christ. This secret teaching is the most powerful knowledge in the entire world. The Bible speaks of its glorious riches and how God wants to make them known. This is the true heart of Christianity. Perhaps for the first time in two thousand years, this book opens up with remarkable clarity, the revelation that God gave to the Apostle Paul. It is a 'must' read for every Christian. The Great Secret of the Christian faith is the strong meat of the Bible.
