"If you want to know how countries, companies and individuals can master the winds and the waves that will dominate the next decade, this is the book for you."

—**Rupert Pennant-Rea, former editor of the Economist, Deputy Governor of the Bank of England**

"If leading your organisation sometimes feels like changing the front wheel of a bicycle whilst you are still pedalling it as fast as you can, this is a book you should read."

—**Sir David Brown, former Chairman, Motorola UK**

"*Beyond Crisis* is full of compelling reasons, clear advice and practical models to help almost any enterprise remain viable beyond the deeply unsettling systemic failures that characterise today's business environment."

—**Professor Richard David Hames, Dhurakilpundit University, Founding Director Asian Foresight Institute**

"We are in uncharted territory. There are few people who any longer think that the world post-crisis will be anything like the world before. Ringland, Sparrow & Lustig provide a clear description of the way that leaders need to think in this new reality. In doing so, they give us hope."

—**Estelle Clark, Business Assurance Director, Lloyds Register**

The next decade will present organisational challenges on an unprecedented scale.

*Beyond Crisis* shows how you can build a 'purposefully self-renewing organisation' which will survive and succeed in the midst of this chaos. The book shows how financial and economic crisis has blighted organisations in every sector, and then provide a range of tools and future scenarios for diagnosing problems and creating solutions.

This is a welcome dose of clarity in uncertain times.
