John Adams: Independence Forever (Heroes of History) Janet Bengé, Geoff Bengé

Written for readers age 10 and up -- enjoyed by adults!

"John's heart sank. A British man-of-war was plowing through the frigid waters of the Atlantic Ocean in hot pursuit of his ship. If the British caught up with the Boston, John would be hanged. He had proudly signed the Declaration of Independence and was carrying the colonies' secret papers. He couldn't be captured now!"

Growing up in Massachusetts, longing to be a farmer like his father, John Adams never imagined the vital role he would one day play in the transformation of the colonies into an independent American nation. As the injustices of British rule stirred up the colonists to revolution and independence, this rising young lawyer became an influential member of the Continental Congress and a passionate advocate for freedom.

As a foreign diplomat for the young United States, first vice president, and second president, this true American patriot held firmly to his integrity and left an uncompromising legacy: independence forever.
