Book 1: Maid for the Billionaire

Dominic Corisi knew instantly that Abigail Dartley was just the distraction he was looking for, especially since having her took a bit more persuading than he was used to. So when business forces him to fly to China, he decides to take her with him, but on his terms. No promises. No complications. Just sex.

Abby has always been the responsible one. She doesn't believe in taking risks; especially when it comes to men - until she meets Dominic. He's both infuriating and intoxicating, a heady combination. Their trip to China revives a long forgotten side of Abby, but also reveals a threat to bring down Dominic's company. With no time to explain her actions, Abby must either influence the outcome of his latest venture and save his company or accept her role as his mistress and leave his fate to chance. Does she love him enough to risk losing him for good?
