## **Marriages and Families: Changes, Choices and Constraints, Books a la Carte Plus MyFamilyLab (6th Edition)** Nijole V. Benokraitis

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version - allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! Exceptionally comprehensive, innately interesting, and extremely readable, this best-seller introduces readers to the study of contemporary marriages and families in ways to which they can easily relate. It examines the diversity of American families-giving equal attention to all racial, ethnic, and other societal groups-and examines not only the choices, but the constraints that often limit our family-related choices today. This open-minded approach, combined with a set of practical guidelines presented in each chapter, encourages learners to think and act for themselves-and thereby join the effort to resolve some of the crucial issues confronting 21st century families. A six-part organization places marriage and the family in perspective, looks at the individual and developing relationships, as well as the individual and marital commitments, considers parents and children, explores conflicts and crises, and offers an understanding of changes and transitions. For those interested in a complete and current study of marital and family relationships in America.
