## **Of Meadows and Flowers: and Crying and Hope** Patricia Larsted

'Of Meadows and Flowers' is a collection of poems of and by a troubled youth. Patricia Larsted invites the reader inside her tormented world as she struggles to keep ahold of her sanity during some difficult teenage years. This is a book about crying. About hearing voices. About being lonely. But most of all -- it's a story of hope -- as the author shows us that even if you want to scream or cry or cut or die, life is always worth living.
