The FRCR Part 2B is a demanding examination consisting of an oral examination, a rapid reporting session and a reporting session (also known as the 'long cases'). Preparation can prove very stressful - the multiple parts of the examination rely on different and distinct techniques. This succinct examination guide and DVD contain over 4700 radiological images allowing for many more opportunities, using the print-off examination format sheet and digital images, to recreate examination conditions. Model sample answers are provided for each question to aid in self-marking and revision. With a complete introduction to the examination including the marking scheme and top tips for success, candidates will welcome the chance to practise papers and check their examination technique in this unique guide. 'This examination is the culmination of years of hard work and training, and the RCR rightly makes it a difficult and robust examination to challenge trainees and ensure they have reached an appropriate standard. Preparation is absolutely vital for success.' Jennifer Davidson, Beth Shepherd and Sunderarajan Jayaraman, in the Introduction
