A RESOUNDING CALL TO DEFEND AMERICA'S SOVEREIGNTY AND SAVE OUR NATION FROM GLOBAL ECONOMIC TAKEOVER -- FROM THE #1 *NEW YORK TIMES* BESTSELLING AUTHOR OF *THE OBAMA NATION* AND *THE LATE GREAT USA*

Between President George W. Bush's "new world order" and the unprecedented governmental growth and massive redistribution of wealth under President Barack Obama, the United States risks losing the greatest middle class ever created in the history of the world. In his groundbreaking new book, Dr. Jerome R. Corsi blows the whistle on a movement to undercut the fundamental principles of limited government that our Founding Fathers fought for and died for trying to establish. As policy-makers manipulate the economic panic of our times to advance a globalist agenda that threatens American sovereignty, we must protect our independent and self-governing nation and preserve the decades of economic power and military strength we have enjoyed since the end of World War II .

In *America for Sale*, Corsi explains the globalists' plan to put America on the chopping block. While the radical Left promotes socialism and the radical Right champions unbridled free trade, valuable jobs are being outsourced, our national borders erased, and our dollar destroyed before our very eyes. Foreign investors are buying up U.S. assets, from financial-services firms to public infrastructure such as highways. We are on our way to a European Union-type North American common market and a one-world government.

With constructive solutions for resisting the global New Deal, reversing our dependence on foreign oil, and strengthening our middle class, Corsi shares important and practical strategies to help American families survive an imminent economic depression. The United States can be a major player in the world economy without sacrificing our sovereignty, the strength of our national domestic economy, or the dollar. America is for sale -- unless taxpayers stand up and say "NO!" to the globalist political agenda that threatens our great nation's freedom.
