I'm just a girl...

I'm a famous country star who's spent her life cultivating a good girl persona to avoid bad press, but I've reached my limit. I'm going away for spring break with my two best friends from college, and we've vowed to spend the vacation seeking out fun in the sun--along with some hot, no-strings-attached sex. The only thing I needed was the perfect guy, and then I met Austin Murphy. He might be totally wrong for me, but the tattooed bad boy is hard to resist. When I'm in his arms, everything just feels right.

And I'm just a guy...

I'm just a bartender who lives in Key West, stuck in an endless cycle of boredom. But then Mackenzie Forbes, America's Sweetheart herself, comes up to me and looks at me with those bright green eyes...and everything changes. She acts like she's just a normal girl and I'm just a normal guy, but that couldn't be further from the truth. My past isn't pretty, you know. I did what I had to do to survive, and she'd run if she learned the truth about my darkness. But with her, I'm finally realizing what it's like to be alive. To laugh, live, and be happy.

All good things must come to an end...
