Here, presented in one volume, are the four stories that comprise the 'Dangerous Desire' series by Lucia Jordan, written in her signature style of high passion, emotion and great sex.

What starts out as a wonderful trip with sunshine, laughter, and great sex, quickly turns sinister.

It's the annual Fourth of July camping trip for Victoria (Tori) Rowen and her friends. It's a trip she looks forward to every year, but this year it's a little different. She's the only single one there—until her friend Josh sets her up with Carter Clay, a sexy, mysterious stranger. She's instantly attracted to him, but tries her hardest to avoid him. She fails miserably and ends up having sex with him, not once, but twice. Victoria decides it might not be so bad to spend the weekend with him only to have him abruptly leave. She's left wondering what the hell happened.

Be warned that this ebook contains very hot and explicit descriptions of erotic activity. Only mature readers should download this book.
