The latest to report is that as of 15 April 2015 the SCOTUS has docketed the Original Proceeding Petition 14-1238, and given the respondents until 15 May to respond - will update when news arrives.

In the Masonic terminology of Barry Soetoro / Barack Hussein Obama II or Soebarkah, when asked: Are you traveling? Barack Hussein Obama II responds "I am traveling to the East!" Whereas, Petitioners, Ronald Dean Joling and Christopher Earl Strunk, travel to the West. Which way is the reader traveling?

The Supreme Court of the United States (SCOTUS) is the only remaining Article 3 Court that may publicly grant leave to file an original proceeding Bill and Complaint in Equity under Article 3 Section 2 Clause 1 of the suspended Constitution for the United States of America. Petitioner "non-combatants" are "pre-1933" Private National American Citizens of the United States of America duly registered with the U.S. Secretary of the Treasury, who as property receiver for the Creditors of the debt uses comingled bundle(s) of Public U.S. Citizen Debtors registered in commerce with each in esse surety indenture obligation to secure the debt. That by operation of martial due process of law for 82 years, the Federal and States' constitutions are advisory under a state of war renewed by consecutive annual emergency executive orders of each President of the United States Commander-in-chief now trustee for THE UNITED STATES OF AMERICA INC. For on 4 March 1933 all States were seized as conquered territories along with all the property that since then is used as the collateral for the debt purchased by the Creditors under 12 USC 95 with 50 USC App. 5(b) Trading with the Enemies Act brought inland by the Emergency Banking Relief Act.

The I.R.S. is used in a self-fulfilling prophesy by the DOJ / CID / White House, are enabled to indict a ham sandwich for the martial government in a vendetta against the Petitioner Pastor, his wife, his daughter, his Corporation Sole Agent, his Corporation Sole Trustee individually for their refusal to submit to the IRC 501c(3) state church. The I.R.S. seeks to make a national example of the Nevada Overseer of the religious ministry ANTIOCH MINISTRIES, a Nevada corporation sole, to infringe Judeo / Christian free exercise of speech intended to chill opposition to the treason of the Indonesian Islamist Barack Hussein Obama II Administration that is reducing any non-Muslim Kafir to a Shariah status of Dhimmitude.

Since 1938, Congress repealed 28 USC 398, that had given the authority to lower Federal Courts to prioritize provision of equity remedy before that of law, and as a result District and Circuits address the Law before remedies of equity setting up a double jeopardy conflict in favor of the martial government against the interest of justice. That in this matter, the IRS admitted that it had not first expended its available administrative remedies in the Nevada Secretary of State complaint procedure that could have resolved the status of the Religious Corporation Sole, ANTIOCH MINISTRIES, and as such by IRS constructive fraud and self-fulfilling practices, the IRS slept on it rights; and therefore, the Pastor and myself as the Executor of he and his wife Estates are using the only US Constitutional provision guarantee of Equity relief now available under Article 3 Section 2, and that original jurisdiction by the Supreme Court of the United States

(SCOTUS) must hear a proceeding in Equity under the Laches doctrine.
