**The 85% Man and Lessons from Lucille: The Ultimate Guide to Love Long and Prosper** Bob Mack Peak

The 85% Man and Lessons from Lucille is Bob Mack Peak's well-crafted, uplifting, heart-felt romantic epic—a lighthearted look at differences between men and women. Peak validates the open proposition "Everything my mother told me about women is true... and I can prove it." The book's flowing narrative offers the reader a delightful journey toward discovering life's truest reward—unconditional love. The 85% Man and Lessons from Lucille finds a parallel and rampart through the life of the author's parents, a part of The Greatest Generation. Raised during the hardships of the Great Depression, they built a terrific life with beloved children, yet suffered terrible losses toward the end of their lives. Readers who adore the films Terms of Endearment or The Help, will fall in love with Peak's book. Peak offers guidelines rather than rules to help women, men, and couples to "love long and prosper." The 85% Man is uniquely different from similar books of the relationship, self-help and romantic genres written by a plethora of PhD's and various authors. Peak draws upon personalized experiences supported by the timeless, sage advice of the author's mother, Lucille. This book will help readers achieve a useful perspective on what's genuine in life and love. Displaying his gift for honestly communicating deeply moving experiences, Peak carefully navigates the ups and downs of his relationships. Peak relates his ex-wives to "experimental flights," since his birthday coincides with Chuck Yeager breaking the sound barrier in the X-1 test plane on October 14th. The author's "EXs" were not dissimilar to unstable test planes that often crash. Some of his "relationship crashes" left no survivors, while others smashups provided the genesis of a phoenix-like rebirth. Perhaps best of all, the book references a link to the website [www.85PercentMan.com](http://www.85PercentMan.com) featuring a section where visitors can calculate how their man scores, and discover WWLS (What Would Lucille Say).
