When Death writes your name, there is no erasing it.

The Markhat Files, Book 8

It starts as a typical day in the park, with Markhat tracking a bully the law won't touch, and promising a little girl he'll find her missing dog, name of Cornbread.

But as the sun sets over Rannit, a new menace creeps out with the dark. There's a killer on the loose, and Markhat the finder suspects magic behind the murders. Each victim receives a grisly drawing depicting the place, time, and manner of death. Not a single victim has escaped the brutal fate drawn for them—and now Markhat's own death-drawing has arrived.

The mighty Dark Houses are also falling, one by one, as terror grips Rannit's streets. Even sorcerers are dying, their magic failing, their blood spilled as easily as that of any other.

With time and hope running out, Markhat races to outwit a creature that can see outside Time itself. Before the picture of his own death becomes stained with real blood.
