“Skeptics have looked at these differences and have arrived at a simple solution to the problem: the genealogies are, in essence, pious fiction. They are not really genealogies of Christ, but have been composed, perhaps from other sources, so as to try to legitimize Jesus' claim to Messiahship. ” Joseph A. Fitzmyer, “They don't even agree on Joseph's father” “The two genealogies do not even agree on the number of ancestors.” Prof. M.M.Ninan solves the problem of the Genealogy of Jesus based on the Old Testament and the Jewish Cultural and Historical context. He also deals with the various traditions of the church fathers and and other skeptics to show why the genealogies perfectly presents the truth showing that Jesus indeed was the mesiah through whom alone mankind can find redemption.
