## **The Template of Time: Our Destiny Decoded** Tom Payne

The Bible's hidden time code holds the answers to some of life's greatest questions, such as: "What is our destination?" and "When will we get there?" In *The Template of Time*, Tom Payne relies on eight years of intensive research as he shares a comprehensive, chronological study of the quirky time patterns scattered throughout the Bible that, when assembled, create an eternal template upon which history unfolds. Just as atmospheric patterns suggest tomorrow's weather forecast, the historical patterns of the template suggest future outcomes while ruling out coincidence and chance. While illustrating how some forecasts have already come true, Payne examines the various time cycles that clearly demonstrate how the rhythms of history are leading to future surprises. As he follows the development of the Roman Empire and its prophesied conflict with the people of God, Payne proves that, as we approach the culmination of processes two thousand years in the making, everyone will be affected.
