#### **Theresa Nash:**

As a student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Ants of North America: A Guide to the Genera can make you really feel more interested to read.
