\*\*\*Amazon Breakthrough Novel Finalist\*\*\* While on a stakeout in a sketchy corner of Hollywood, twin detectives Kerry and Terry McAfee are mistaken for paparazzi by none other than pop music phenom Bethany. The girl is totally annoying, not to mention certifiably nuts, but when a gang of goons makes a grab for her, the twins reluctantly come to her rescue. Their heroics are rewarded with a job offer: keep an eye on the unpredictable pop princess until she leaves on her world tour. Desperate to improve their cash flow, the twins agree. Yet what begins as a glorified babysitting gig quickly devolves into a high-stakes game of murder, stolen identity, and blackmail. Fueled by high-octane action, suspense, and humor, the fifth installment of Jennifer Colt's addictive McAfee Twins series will have readers perched on the edge of their seats one minute and howling with laughter the next. Together, Kerry and Terry tackle the seedy underbelly of Hollywood celebrity as only they can, with sass, nerve, and that infamous hot-pink Harley.
