The Mammoth Book of Unsolved Crime: The Biggest and Best Collection of Unsolved Murder and Mystery Cases

The Mammoth Book of Unsolved Crime: The Biggest and Best Collection of Unsolved Murder and Mystery Cases

This compelling volume presents thirty-five of the most intriguing crime cases that still defy solution, as reported by leading authors and journalists in the field of crime writing. Expanded and updated, this new edition of The Mammoth Book of Unsolved Crime includes such recent cases as British backpacker Peter Falconio, lost in the Australian outback, and reporting as diverse as Colin Wilson's look at the Zodiac Killer of California and Russell Miller's examination of the ongoing obsession with LA's Black Dahlia Killer, to Sydney Horley on the woman who was cleared of murdering her husband and went on to become a Broadway star, and Philip Sugden on that most mythic criminal enigma of them all, Jack the Ripper. Nearly all the cases involve one or more acts of murder, and all are left with a question mark hanging over them—real-life whodunits that offer a continuing challenge to all who find fascination in the criminal mind.
