Books: A Memoir Larry McMurtry

Now in paperback, Larry McMurtry's fascinating and surprisingly intimate memoir of his lifelong passion of buying, selling, and collecting rare antiquarian books: "a necessary and marvelous gift" (San Antonio Express-News).

- **Acclaimed author:** Spanning a lifetime of literary achievement, Larry McMurtry has succeeded at a wide variety of genres, from coming-of-age novels like *The Last Picture Show*, to essays like *In a Narrow Grave*, to the reinvention of the "Western" on a grand scale like the Pulitzer Prize-winning *Lonesome Dove*. Here at last is the private McMurtry writing about himself: as a boy growing up in a largely "bookless" world, as a young man devouring the world of literature, as a fledgling writer and family man, and above all as one of America's most prominent "bookmen."
- **A work of charm, grace, and good humor:** reading *Books* is like reading the best kind of diary—full of wonderful anecdotes, amazing characters, spicy gossip, and shrewd observations. Like its author, *Books* is erudite, full of life, and full of great stories. Yet the most curious tale of all is the amazing transformation of a reluctant young cowboy into a world-class literary figure who has spent his life not only writing books, but rounding them up the way he once rounded up cattle. At once chatty, revealing, and deeply satisfying, *Books* is Larry McMurtry at his best.
