## **Far away and long ago: A history of my early life** W. H Hudson

1918. The first eighteen years of William Hudson's life were spent on the Argentinian pampas. Although he was a scholarly ornithologist, every page of this book reveals a rapturous delight in the wildlife of the pampas, animal or human. He mixed with cutthroat gauchos, pursued ostriches, explored lagoons, and allowed burrowing armadillos to drag him elbow-deep into the earth. A wonderful read. See other titles by this author available from Kessinger Publishing.
