## **Inteligencia emocional (Spanish Edition)** Daniel Goleman

La inteligencia emocional constituye un verdadero fenómeno editorial que no solamente revolucionó el concepto de inteligencia, sino que agregó una nueva expresión a nuestro vocabulario cotidiano y cambió el modo en que percibimos la excelencia personal. Por qué no siempre el alumno más inteligente termina siendo el adulto que mayor éxito tiene en el trabajo? Por qué algunos son más capaces que otros de enfrentar contratiempos, superar obstáculos y ver las dificultades bajo una óptica distinta? Un nuevo concepto viene a darnos la respuesta a estos interrogantes. Es la inteligencia emocional la que nos permite tomar conciencia de nuestras emociones, comprender los sentimientos de los demás, tolerar las presiones y frustraciones que soportamos en el trabajo, incrementar nuestra capacidad de empatía y nuestras habilidades sociales y aumentar nuestras posibilidades de desarrollo social. / Everyone knows that the high IQ is no guarantee of success, happiness, or virtue, but until Emotional Intelligence, we could only guess why. Daniel Goleman's brilliant report from the frontiers of psychology and neuroscience offers startling new insight into our two minds: the rational and the emotional- and how, together, they shape our destiny.
