**International Struggles for Critical Democratic Education: Foreword by Michael W. Apple
(Counterpoints)**

This book has received the AESA (American Educational Studies Association) Critics Choice Award 2013.

Drawing from rich data, *International Struggles for Critical Democratic Education* profiles teachers, students, and schools struggling to interrupt the reproduction of social inequalities from one generation to the next. International in its nature, the work collected here illustrates how forces of globalization create greater inequalities, and carefully describes and evaluates efforts to democratize educational opportunities. This text will be useful in undergraduate and graduate courses on diversity and multicultural education, international comparisons, educational studies, as well as graduate courses in sociology of education, critical educational studies, international comparisons, foundations of education, multicultural education, and qualitative research methods.
