For readers of *The New York Times* bestselling *Fifty Shades of Grey* trilogy and *Bared to You* comes this intoxicating novel of passion and ultimate surrender . . .

As a mega-superstar, Nick Muncie is accustomed to having any woman he wants. But lately, he's become disenchanted—until he notices a stunning woman in the trendy London restaurant where he is having lunch. Much to his surprise, Nick's charms, which have never failed him before, fall flat with artist Olivia Morgan. Instead of feeling defeated, he becomes consumed with making her desire him. He commissions a portrait, and during the sexually charged sessions, the seduction begins as Nick engages Olivia in a twisted, erotic game of control.

Extremely talented and confident, Olivia believes she's immune to Nick's attentions. But it isn't long before she finds herself fantasizing about him and succumbing to his power to give pleasure yet cruelly deny it. As their lunchtime trysts quickly escalate, another player soon topples the rules and tests how far Olivia and Nick will go in their destructive cycle of submission and obsession.
