Everyone who knew them thought stunning Farah Fratta and her husband. Robert, a fire-fighter and public safety officer, had it all - a solid, nine-year marriage, three beautiful children, and a comfortable house in a middle class Houston suburb. But behind closed doors, Robert's deviant sexual appetites trapped Farah in a world of sick perversity...until she filed for divorce in 1992. During a bitter custody suit, Farah bravely recounted - in graphic detail - her husband's bizarre sexual demands, which the presiding judge called the most depraved behaviour he'd ever heard. Then Fratta's behaviour turned violent. Hoping to intimidate his wife into dropping the proceedings against him, he hired an ex-con to brutally rape and torture her with a stun gun. Two years after the case began, the court was about to rule in Farah's favour...and seal her fate.
