THIS book is a one of a kind to say the least! It is one thing to locate a person, but to locate their place of employment is even a harder task. Working as an investigator for several agencies, it was my duty to not only locate a person on a warrant, etc. it was my duty to locate where that subject was employed. When a skip tracer or investigator has the right tools and knowledge, they can do just about anything! If the reader will follow the simple step-by-step instructions, they will accomplish their goals.
