Power: A Novel (Norton Paperback Fiction) Linda Hogan

"Linda Hogan's remarkable gift is a language of her own, moving gracefully between ordinary conversation and the embrace of divinity. . . . *Power* is a haunting, beautiful testament."?Barbara Kingsolver

When sixteen-year-old Omishto, a member of the Taiga Tribe, witnesses her Aunt Ama kill a panther-an animal considered to be a sacred ancestor of the Taiga people-she is suddenly torn between her loyalties to her Westernized mother, who wants her to reject the ways of the tribe, and to Ama and her traditional people, for whom the killing of the panther takes on grave importance. "*Power* is a beautifully written story, that rare book that comes along once in a while, touching the deep parts of our humanness and calling us . . . to be better than we are."-*Rocky Mountain News* "[Hogan] has written a book about a crisis of belief that is dizzying in its depths, a book that is a testament to the ability of people to imagine what they cannot articulate."-*Boston Book Review* "Hogan's *Power* is a bildungsroman. It is a lament for the animals and plants we have so heedlessly extinguished and it is also a story hopeful for the restoration of a world in balance."-*Bloomsbury Review*
