Since the outpouring of the Holy Spirit on the Day of Pentecost, some confusion has existed in the church regarding the distinction between ministry and manifestation gifts of the Spirit. A clear understanding of these differences is essential if spiritual gifts are to function properly in the body of Christ.

SPIRITUAL GIFTS: MINISTRIES AND MANIFESTATIONS examines the lists of spiritual gifts found in the New Testament and highlights their distinctions. The author leads the reader through a careful study of the characteristics of equipping ministry gifts, body ministry gifts, manifestation gifts, and the need for bringing all the gifts into harmonious operation in the church. He concludes the volume appropriately with a look at the fruit of the Spirit, the atmosphere conducive to the functioning of these gifts.

This book, which is in its seventh printing, has been published in five languages and is being used around the world in classes on the gifts of the Spirit.
