Ben Green

**Before His Time: The Untold Story of Harry T. Moore, America's First Civil Rights Martyr** Ben Green  
In Jim Crow Florida, a young black man's courageous fight to obtain equal rights for blacks ends in a personal tragedy that remains unsolved to this day. This is his story.

Before Martin Luther King Jr. began to preach from his pulpit in Montgomery, before the landmark *Brown v. Board of Education* decision, and before Rosa Parks' famous bus ride, a man named Harry T. Moore toiled in Jim Crow Florida on behalf of the NAACP and the Progressive Voters' League. For seventeen years, in an era of official indifference and outright hostility, the soft-spoken but resolute Moore traveled the back roads of the state on a mission to educate, evangelize, and organize. On Christmas night in 1951, in Mims, Florida, a bomb placed under his bed ended Harry Moore's life. His wife, Harriette, died of her wounds a week later. Although Florida's governor reopened the case in 1991, no one was ever convicted of this crime.

Using previously unavailable FBI files, Green introduces his readers to the good and the bad, the villainous and the virtuous, in Jim Crow Florida. In doing so, he offers a poignant and gripping memorial to the pioneering work of Harry T. Moore, one of the earliest martyrs of the modern civil rights movement.
