Walking along the woods' edge, Sandiee noticed a sapphire blue butterfly among the vibrant red poppies. She paused and wondered if the human soul could evolve so effortlessly when faced with so many challenges. She had just survived a near death experience which left her life in turmoil. The world she had created leading up to it was wrought with many struggles. Although she was glad to have survived, she doubted if she would ever happy. Slowly, she began getting signs and messages from her deceased grandmother who encouraged her to venture onto an unknown path toward her life's purpose. **Butterfly Soul** is a true story based on Sandiee's private journal.
