### **COMPLICITY, Book I**

Journalist Duke Johnson is plagued by a mistake he made at the beginning of his career.

While covering the wars in Yugoslavia he lied about the perpetrators of a heinous event, making a name for himself as well as creating international backlash against the supposed wrongdoers.

No one will listen to the truth as his lie backfires. His lie has been manipulated and is being used by NATO as justification for bombing the country, placing thousands of innocent people and the woman he left behind, in danger.

Now, he is about to receive the Pulitzer for this lie.

Terrified and desperate, Johnson must turn the tables on the real criminals and expose the truth despite the risk to himself. The stakes are immense: will Johnson's sacrifice be enough to save a country and the woman he loves?
